Dear member,

LECTURE ON COMPUTER PRINCIPLE
AND APPLICATION

This month we have great honour to be able to invite Mr. Stephen Chung, a chartered electrical engineer from IBM World Trade Corporation Hong Kong, to present to us a lecture on computer. Details are as follows:-

Topic: Introduction to Principle and Application of Computer.

Lecturer: Mr. Stephen Chung

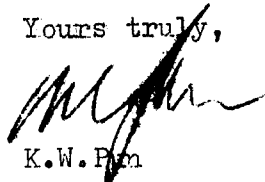

Date: Friday 28th April, 1967.

Time: 6 to 8 p.m.

Place: Hong Kong Technical College
Room 362 Main Building, 3rd. Floor,
Hung Hom, Kowloon.

Light refreshment will be served prior to lecture. You are cordially invited to attend this lecture.

Yours truly,

K.W. Pan

Hon. Secretary
